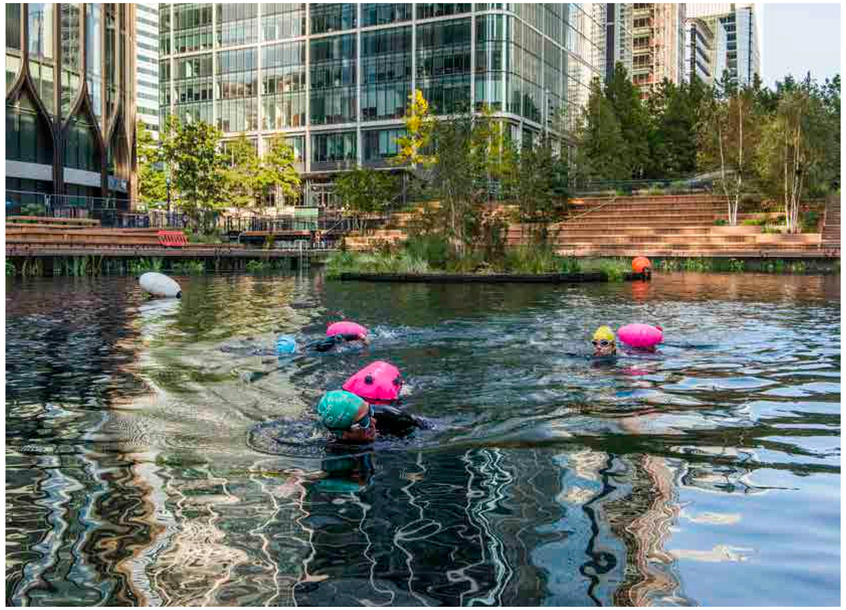
Eden Dock

Together with the Eden Project, we are excited to unveil Eden Dock, a waterfront oasis in the heart of Canary Wharf. Aquatic islands, marine habitats, art installations and engaging water activities combine to create a place for nature and people. Dive into open-water swimming, rejuvenate with yoga or unwind by the water's edge and let nature enhance your wellbeing.

ENGAGEMENT WITH GREEN SPACE AND BLUE SPACE IS HUGE IN TERMS OF PEOPLE'S HEALTH AND WELLBEING.

Dan James
Development Director
The Eden Project



ESG

At Canary Wharf, sustainability and community are at the heart of everything we do. We understand the importance of creating environmentally and socially responsible environments, and our team of ESG professionals are dedicated to delivering continuous improvement across all our focus areas.

We are committed to the Environmental, Social and Governance (ESG) principles, as outlined in our strategy and featured in our annual report. We believe that the most effective way to drive meaningful change is by bringing together our customers, suppliers and our community. Together, we can enhance lives, now and in the future.

Choose an office space that aligns with our values and commitment to a sustainable future. Be part of a workspace that champions green practices and supports community initiatives.

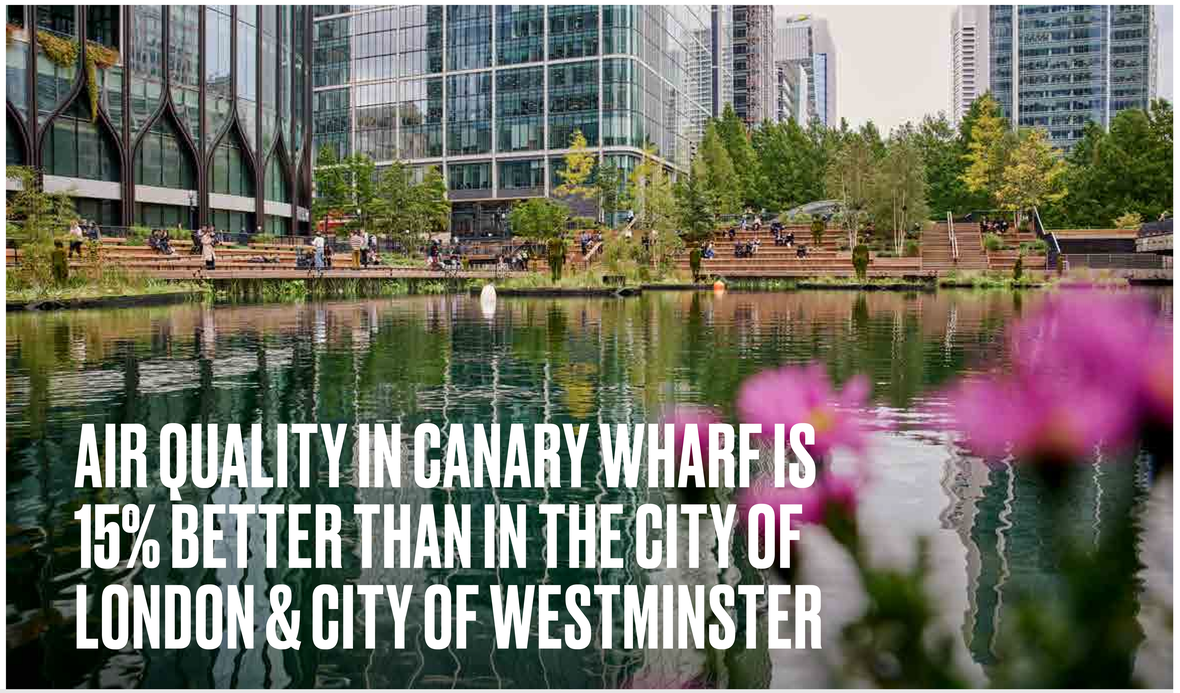
Our strategy focuses on four key areas:

CLIMATE ACTION
Turning our ambition to be net zero into action

DRIVING CIRCULARITY
Transitioning from a linear to a circular economy

CREATING SPACE FOR NATURE
Creating a place for nature as well as people

SOCIAL IMPACT
Creating positive change through shared social purpose, connecting our communities & customers



KEY ACHIEVEMENTS

- **Net Zero Carbon by 2040:** CWG is committed to partnering with occupiers to enhance building performance.
- **In-house Waste Management Team:** Supporting our tenants with innovation opportunities to maximise recycling and circular economy initiatives.
- **ESG Forums:** Regular forums allow our tenants to be updated on initiatives, share ideas, and hear from industry experts.
- **Felix Project Partnership:** Help to tackle food poverty by volunteering for free to distribute meals and reduce food waste.
- **16.5 Acres of Parks and Gardens:** Take advantage of our open spaces to lift your mood, productivity, and enjoy breaks at the award-winning Eden Dock, a place for nature and people to thrive.
